RESEARCH INTERESTS

Exoplanetary systems, Protoplanetary disks, Disk observations in multi-wavelengths, Disk modelling.

EDUCATION

University of Leicester

Ph.D., Astronomy

Supervisor: Prof. Richard Alexander

Leicester, uk

Sept. 2022-2026 (expected)

Leiden University

M.Sc. (cum laude), Astronomy

with 1-year Pre-Master, Astronomy

Leiden, Netherlands

Sept. 2019- Aug.2022

Jilin University

B.Sc., Physics and LL.B., Law

Jilin, China

Sept. 2015 -Jun. 2019

SCHOLARSHIPS & AWARDS

- Student award from the Great Britain China Educational Trust ([charity no.269944](#)) 2026
- DAAD Research Grant 2026
 - Competitive 6-month grant supporting independent research.
- Leicester Future 100 Studentship *Sept. 2022-Mar. 2026*
- Leiden International Tuition Fee Waiver 2020-2022
- Dean's Scholarship 2019
 - the highest honour for undergraduates at the Department of Physics, JLU
- Outstanding Undergraduate Thesis Award 2019
- Outstanding Graduate in Jilin University 2019
- University Scholarship 2016-2019

ACADEMIC ACTIVITIES

Research visits

- Research visit to MPIA @Heidelberg, Germany *Jan.-Jun., 2026*
- Kavli Summer Program in Astrophysics 2025 @VA, US *Jun.-Aug., 2025*
- Secondment to SUNY, Stony Brook/CCA, Flatiron Institute @NY, US *Apr.-Jul., 2024*
- Summer Student at Institute of Astronomy and Astrophysics, Academia Sinica @Taipei *Jul.-Aug., 2019*
- Summer Student at Shanghai Astronomical Observatory @Shanghai, China *Jul. 2017&2018*

Summer/Winter schools

- Global Astrochemistry Lecture Series (GALS) 2025 ([Online](#)) *Feb.-Apr., 2025*
- EXOHOST Summer School @Tartu, Estonia *Sept., 2024*
- DUSTBUSTERS Winter School II @Lyon, France *Jan., 2024*
- Disc and Planet Formation Summer School @Beijing, China (remote) *Jul., 2022*
- The 4th SKA Summer School @Shanghai, China *Jul. 2018*
